

Email Marketing

Stay in contact with your clients and prospects with email marketing campaigns.

Agent1100 offers a complete email marketing system designed to turn your prospects into clients and your clients into repeat customers. Our self service email portal consists of a set of graphically designed email templates specifically for real estate professionals.

How it works:

Agent1100 will set up a personal email portal for you. We will load in all your emails and email templates and provide training on our easy to use system!

Features Include:

- Real-time reporting to see how subscribers are interacting with your campaign including:
 - Who opened your email
 - Who clicked on your links
 - Who forwarded to a friend
 - Who unsubscribed
- Google analytics integration
- Easy-to-use format
- Custom or semi-custom templates
- Local Support/Customer Service

Plus, you'll be able to compare campaigns and build trends!

Benefits of Opt-in Email Marketing:

- Low cost
- Targeted
- Pre-qualified consumers
- High response rate
- Increases brand awareness
- Real-time trackable results
- Personalized message
- Drives traffic to your website
- Generates viral marketing
- Customizable
